

The Challenger Chevy

Style, Versatility and Value

Experience the difference of the Challenger built on a Chevy chassis, including the new exterior laminated straight sidewalls and single piece front and rear caps. Known for its quality and longevity, the Challenger includes standards such as 5/8" marine-grade plywood, cove molding and streetside exhaust. With hundreds of options and a variety of floorplans, each Challenger is built to your exact specifications and needs. The longtime, trusted Chevrolet chassis is fully undercoated to protect the bus from the most extreme weather. When quality fit and finish along with the flexibility to meet the demands of your customers if needed, the Challenger delivers.
