

TO NOT ADVANCE
IS TO RETREAT.

ELDORADO
REV GROUP

1655 WALL STREET, SALINA, KS 67401 | 785-827-1033 | ELDORADO-BUS.COM

Standard 48" wheelchair door, 53" optional for wider lift platforms.

Fiberglass front and rear caps add style and elegance to the sturdy body construction.

Superior front end visibility reduces blind spots and improves safety for drivers and passengers.

Rear wall can be configurable with two rear wheelchair positions, flip seats & heater simultaneously!

Built on the Ford Transit chassis, this versatile and capable bus offers excellent fuel economy and great agility.

High strength steel sub-flooring, roof, and wall structures provide outstanding durability and include a spray on primer to minimize corrosion.

Non-CDL floorplans with dual rear wheels offer more body stability than vans.

At EIDorado, we constantly improve our product and reserve the right to change specifications without notice. Some features shown are non-standard upgrades.

Especially agile on narrow roads and easy to drive, the Advance is your best steel bus solution for small groups and high economy. Our 16 gauge steel frame with a 1,000 hr salt primer anti-corrosion coating has meets or exceeds the requirements of a multitude of safety and resilience tests just like all her sister models from EIDorado. Because safety is our first priority.

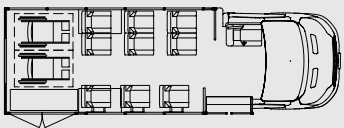

All EIDorado buses come with a 5yr/100k mile structural warranty; expanding the EIDorado legacy created through 40 years of experience.

Premium features such as an easy to use EP4 modular electrical system, tinted windows, commercial seats, and all LED lighting come standard or available on every vehicle. With many specialized options available, we can build the ideal blend of beauty and durability for your specific applications.
